Diwrnod Santes Dwynwen  
25th January 2024

As a school we celebrated St Dwynwen's day on the 25th January.

Dwynwen was a Welsh princess in the fourth century who was not allowed to marry the man she loved. After having her heart broken she vowed never to fall in love again and became a nun and lived on Llanddwyn Island in North Wales. She prayed for Welsh lovers to have better luck than she did and became the patron saint of Welsh Lovers.

## DOSBARTH PRY-COPYN

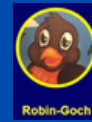

Dosbarth Pry-Copyn's topic this term is Anifeiliaid Anhygoel - Amazing Animals.

They've thrown themselves into learning all about their favourite animals, their habitats and how they camouflage themselves. PC Rhys and PCSO Adrian visited and the pupils were really engaged. Da iawn.

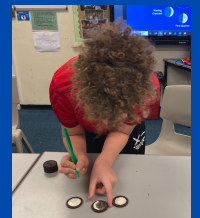

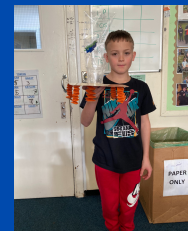

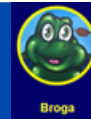

## DOSBARTH ROBIN GOCH

What a great start to the Spring Term. All the pupils have returned full of beans after the Christmas break. They have been learning all about the Frozen Kingdom in the last few weeks, and have investigated what's needed to survive in the Polar Regions. They all decided their games consoles were not essential!

## DOSBARTH BROGA

Dosbarth Broga having been learning all about Space since coming back this term. They have been using Oreos to look at the phases of the moon and have created their own solar system using balloons. They've been firing rockets at different angles and have used their knowledge to design and make space craft. Ardderchog Broga.

## Healthy, confident individuals - Eat Well Plate.

Classes across the school have been teaching the young people all about the Eat Well Plate. We have all been learning how much of each food group we should have every day. Staff were quite upset to discover biscuits were not a vegetable!
