Dosbarth Gwdihw

Dosbarth Gwdihw had a fabulous experience with 'Sparklab' exploring exothermic and endothermic reactions.

Children have been learning about Earthquakes and Volcanoes.

Kier set the children a challenge to build an earthquake-proof wall then explained the use of 'Braces' in the construction industry.

Da iawn! Well done!

Everyone has been learning about the four directions of the compass. Children were able to direct each other to different parts of the green area.

As part of exploring diversity, Chantelle came to talk about Betty Campbell who was Wales' first black head teacher.

Gwych! Great!

Dosbarth Cadno

Dosbarth Robin Goch

Robin-Goch have enjoyed playing instruments with 'Upbeat Music'.

R showed off his stunts at the skatepark with his scooter.

K made a delicious fruit kebab.

Rhagorol! Excellent!

Dosbarth Broga

Dosbarth Broga enjoyed their trip to Cefn Mably.

They worked hard on their 'Big Maths' at Penarth pier.

C, R and R had a super time cooking carbonara from scratch.

It was delicious! Roedd yn flasus!

Dosbarth Pry-Copyn

Lots of excitement in Pry-Copyn this term. They have been making predictions in science.

On 'Random acts of kindness' day, the children made colourful characters from clay and gave them out to people in Roath Park.

Da iawn! Well done!

Dosbarth Draenog

The Transport Police came to talk about the dangers of railway lines. The children put their learning into practice and went for a train ride to Caerphilly.

J enjoyed designing his own football kit. L & L worked collaboratively on multiplication

Gwych! Great!
